Mrs. Fenske is the former Virleen Kay Aker, daughter of Mr. and Mrs. Virgil E. Aker, 5808 Pacific Coast Hwy., Torrance. The bridegroom is the son of Mr. and Mrs. L. J. Fenske Sr., Wilmington.

Richard Fenske was his brother's best man and ushers were James Ramsey, John Barna and Gary Kern.

A reception was held at the church hall. The newlyweds spent a honeymoon at the Disneyland Hotel.

Grand opening of the "PACIFICA" own-your-own cooperative apartments, located at 24065 Ocean Ave. in WALTERIA, has been formally announced by Raymond T. Burns and Associates, project sales representative.

Enthusiastic support has been noted by early purchasers who have been searching for an "Own Your Own" project such as Pacifica wherein so many facilities are provided buyers seeking equity investment plus maintenance free living. In addition to the ideal climate conditions, Pacifica has as an additional advantage, the WALTERIA Park and Library immediately across from the project site.

This, as opposed to the corporation stock ownership type of cooperative apartment, allows the individual financing to suit his requirements without the attendant problem of liability in the event of default in payments by other owners, a factor which has resulted in unprecedented buyer enthusiasm.

Pacifica "Own Your Own" apartments offer spacious one and two bedroom residence apartments featuring seven floor plans and four decorator color schemes from

Hahns Enjoy Mexico Trip

Mr. and Mrs. Jack Hahn, 320 Via Linda Vista, returned recently from a 22-day vacation in Mexico. The couple drove to El Paso, Texas, where they entered Mexico, driving to Mexico City. Here they made the famous jungle cruise and Mr. Hahn spent some time fishing.

Climaxing their vacation was a several days stay at the Playa del Cortez hotel in Quaymas. They drove to Nogales to re-enter the United States and return home.

Both Mr. and Mrs. Hahn are members of the Torrance Police Department.

Growing with the Community?...

...So are we, in fact...

We are Setting our 200,000th meter

Next week the Southern California Gas Company will install its 200,000th meter in the Centinela Valley—South Bay area.

A little more than ten years ago today, the Southwest Division was officially formed with about 95,000 meters. Today

this number has more than doubled. During this period of tremendous growth and expansion it has been our goal to provide efficient, dependable gas service at the lowest possible cost for your homes, businesses and industries.

No customer has had to "stand in line" for gas service. We are gratified that we have kept ahead of your growth and service needs. We hope to continue to earn your confidence in the years to come.
